USC § 502(a) or court order as follows (if left blank, no payments shall be made by the Trustee):

Creditor Monthly amount \$

C. SECURED CLAIMS: Payments will be made to creditors whose claims are filed and allowed pursuant to 11 USC § 502(a) or court order, as stated below. Unless ranked otherwise, payments to creditors will be disbursed at the same level. Secured creditors shall retain their liens until the payment of the underlying debt, determined under nonbankruptcy law, or discharge under 11 USC § 1328, as appropriate. Secured creditors, other than creditors holing long term obligations secured only by a security interest in real property that is the debtor's principal residence, will be paid the principal amount of their claim or the value of their collateral, whichever is less, plus per annum uncompounded interest on that amount from the petition filing date.

Interest rate and monthly payment in the plan control unless a creditor timely files an objection to confirmation. If a creditor timely files a proof of claim for an interest rate lower than that proposed in the plan, the claim shall be paid at the lower rate. Value of collateral stated in the proof of claim controls unless otherwise ordered following timely objection to claim. The unsecured portion of any claim shall be paid as a nonpriority unsecured claim unless entitled to priority by law.

Only creditors holding allowed secured claims specified below will receive payment from the Trustee. If the interest rate is left blank, the applicable interest rate shall be 12%. If overall plan payments are sufficient, the Trustee may increase or decrease post-petition installments for ongoing mortgage payments, homeowner's dues and/or real property tax holding accounts based on changes in interest rates, escrow amounts, dues and/or property taxes.
